From one month to another life can seem almost monotonous and wearisome, unless your world is a constant revolving door of hot crumpets, who busily steam their way through your working week, putting a smile on everybody's faces. And there, in a nutshell, is life at Paul Raymond, and just to prove my point, in this months Club International Vol.47 No.10, we have the delightful Lauren Louise, Jasmine Jazz, Sybil, Anissa Kate, Sophia Knight and Mia Sol. Plus, Carmel Anderson who has been hitting the papers recently, as well as this months cover. Now all that is left for me to say is that I hope you enjoy what we've been up to this month, as much as we have!

Dear CLUB,

I love your magazine and the awesome girls you manage to find month after month, but I must admit the letters you feature have never interested me that much, as I prefer to look at tits and pussy rather than imagine them. I know a lot of people love them though (including my girlfriend), so I thought I'd write and tell you about an experience I had last month, because if you print it my girlfriend, Petra, will cream her knickers. I'd booked a long weekend in an old cottage in Devon for us and, as usual, we spent the

whole time getting pissed in local pubs and fucking each other silly all over the house. There's something so horny about fucking my girlfriend's wet pussy on the table in a strange house, knowing that the people who next hire the place won't have a clue as they sit there eating their dinner! We fucked all over this 17th century cottage. I sucked her pussy in the bath and on the stairs, Petra wanked me off in her mouth at the kitchen sink, I screwed her lovely tight arse on the sofa and we even fucked standing up in the coal shed out the back.

Petra loves dressing up for our dirty weekends and, as I slid my dick into her in that outhouse, the feel of her lacy basque and black nylons seemed so out of place in the dank and dusty confines of that shed, but I realised that was actually just turning me on

“I slipped a couple of fingers into the crack of her arse and tickled her bum hole.”

something rotten.

Back inside, I told Petra how I'd felt and it turned out she'd felt the same. "Let's go for a walk in the fields right now," she said. "But it's pouring with rain!" I moaned. Petra pulled an overcoat over her near naked

body. "So what," she giggled as she zipped up her knee length boots and removed her panties.

We wandered across a couple of fields and, knowing Petra had on a her slutty purple basque and those stockings beneath her coat made my prick rock hard. The rain had matted her long dark hair but her lipstick was

still glossy and perfect as we struggled along another hedgerow.

Suddenly Petra stopped in the middle of nowhere, unbuttoned her coat and draped it over a wooden fence. Seeing her standing in the gloomy drizzle in those sexy clothes was awesome and I unzipped my trousers and pulled out my rigid cock. Petra slid her hand between her legs and parted her fanny lips, slowly sliding a finger deep into herself, then moving it up to her mouth so that she could suck it clean. She was wet all over but her cunt was even wetter, glistening with sticky love juice. Her firm tits jutted out from the basque's wired cups and her nipples were hard and stiff as the rain trickled down her curves. Even her stockings seemed somehow sexier now that they were sodden. I grabbed her to me and kissed her mouth, her lipstick smearing my lips as she snogged

me back, gently stroking my pulsing dick in her small hand. I began to suck on one hard nipple as Petra steered my knob between her legs towards her cunt. I wriggled the tip inside and, cupping her plump arse cheeks, I lifted her up and she wrapped her legs around my waist, causing my shaft to plunge up to my balls inside her tight hole. It felt so good, I nearly came straight away. The rain actually became refreshing as we ground our crotches against each other and as Petra's pussy muscles clenched around my dick, I could tell that she was about to cum. I slipped a couple of fingers into the crack of her arse and tickled her bum hole. I knew this was guaranteed to send her over the edge and she suddenly came, yelling directly into my ear. The rain was heavier now and our dirty outdoor romp needed to come to an

end before we either drowned or caught hypothermia. Petra's lingerie was drenched but it was just so kinky seeing her dressed like this in the countryside instead of in the bedroom.

At this point Petra dropped to her knees in the wet grass, ripping her taut stockings, and stuffed my prick in her mouth. I could barely see her bobbing head through the teeming rain but pushed the straggled hair from her face as she sucked my knob and worked my balls with her hands. I began to pump in and out of her mouth and tipped back my head to feel the cool rain on my face. Petra's slick tongue was doing its job as she flicked the tip of my dick on each thrust of the shaft into her mouth. The tingle of pleasure began

to build in the base and quickly rose to a crescendo before erupting along my cock and delivering spurt after splash of thick, sticky spunk all over my girlfriend's face. I watched as it hung there for a few seconds before slowly being washed down onto her tits by the rain.

We didn't hang around, but hastily covered ourselves up and legged it back to the cottage, stripped off and warmed up in front of a raging log fire. This led, of course, to a whole load more sexy fun, involving a bunch of muffins coated in warm butter and a hastily emptied wine bottle, but that'll have to wait for another letter!

Matt, Gloucester.

Kicking off this issue is the brilliant brunette Lauren Louise, and the Derbyshire lass let slip while we were chatting, that she had once been a Miss Derby finalist, what I couldn't understand is why she wasn't

the winner, I really do think there should be a recount of the votes for that year. Still, winner or not, Lauren is doing well for herself as the 34D, 21-year-old fizzes in front of the lens, without any prompts, a complete natural.

Sophia Knight could well be attending a barn raising, but she assures us that this particular barn was already here, and then the rolling in the hay jokes come out. But has Sophia ever been party to such a thing?

"I might have some time ago, but hay isn't all it's cracked up to be, in fact, it's downright itchy. Plus in Scotland,

it's pretty cold outside most of the year!"

This is true, and certain things can appear smaller in chilly climates (that's our excuse), but now Sophia is out in California she doesn't have that problem, so maybe a roll around outside might be back on the cards? "Hmmm, I'll have to think about it."

It wasn't a straight no...

Keeping Faith

DVD £24.99

Something has been making waves in Wales, and it's not the sheep cracking out some Mexican support, but a television program, simultaneously shot in Welsh and English. *Keeping Faith* could be the Welsh answer to *Broadchurch*, as we initially focus on an opening episode of marital bliss, as Faith (Eve Myles) gets ready for a night on the tiles, with the girls. Husband Evan (Bradley Freegard) is the air of perfection zipping her into her dress and staying at home with the nippers. Even when Faith returns slightly the worse for wear, he pops her into bed with a kiss and gets the kids up in the morning. Both lawyers with the same firm, Evan plants a kiss on his wife and drives off to work, except he never gets there. Evan vanishes into thin air, and this is where the narrative gets interesting, as Faith finds all sorts of curious things, including a driving license with Evans picture but a different name. So who is her husband? Faith is starting to wonder. There's a certain visceral reality to this series, the dialogue has originality to it, and the landscape is purely Wales in all its brilliance. Like *Boardchurch*, it feels centred in a community, where everybody knows everybody and everything. Whispers aren't so much whispers, but loud conversations, where it's obvious people are talking about you. A well-acted and exciting series.

Take Shelter

DVD £9.99, Blu-ray £14.99

The abyss is an ever-present shadow in our world and *Take Shelter* reads into people's fear of catastrophes and the internal struggles that can often swamp their lives, making them objects of ridicule. Michael Shannon gives a shattering performance as an Ohio blue collar working who succumbs to his dreams of disaster, seeking help from Doctors and therapists, as he is plagued by tempests in the skies. He ends up borrowing money from the bank in order to build a typhoon shelter, while his ever-loving wife (Jessica Chastain) wonders where her husband has gone, and will this man ruin them while he fights his demons. A splendid film that looks at a tormented soul, out now on a special release.

Thoroughbreds

DVD £9.99, Blu-ray £14.99

Tales of teenage friendship and bad blood are often reversed for male roles, but refreshingly here it's a female friendship under the spotlight, as a pair of thoroughly rich girls, become twisted in their views. Lily (Anya Taylor-Joy) and Amanda (Olivia Cooke) re-bond after a childhood acquaintance, as Lily deals with an overbearing stepfather and Amanda finds herself devoid of any emotion. There's a touch of Peter Jackson's *Heavenly Creatures* here, with first time writer and director Cory Finley producing a cruel and authentic commentary to the inherent tribulations of teenage girls. There's an unbridled savagery that rips through the film making it entertaining to watch, while showing great pip; looking forward to Finley's next work!

Retro Mini

I've said it before, and I'll say it again, gaming is no longer the dominion of the light adverse, acne-plagued youths of today. The original gamers are now well into their 40's and are often indistinguishable in a crowd of suited and booted commuters. But beneath the sharp cut suit and unmovable hair, is still the geek of old, so pop a Retro Mini games console in their palms and watch the twitching glee unfold. With 36 titles built-in to make your thumbs ache and over 2,500 other titles available via a link on the Retro Mini website, boredom is no longer an option with Mario and Zelda on hand. Cheap as chips this stylish little fellow is more exciting than some of the latest handheld consoles, so dive into nostalgia.

£19.99

MAX-Eboard 2.0

www.slickrevolution.co.uk

I'm beginning to wonder if there is anything left that has not been touched by battery power and actually still requires some form of human effort, we've got electric bikes, scooters and no skateboards! Whatever next, lithium powered soapbox racing? I'm probably behind the times, and this has already taken place. All that said Slick Revolution's MAX-Eboard 2.0 is pretty cool. With a top speed of 22mph and an 11-13 mile range you can go quite some distance. It supports a 1200 watt single motor with regenerative braking, cruise control and a USB output. There's a LED power display on the board and a controller for easy usability. But all that power comes with 7.5kg of weight and a £579 price tag!

£579

RED5

Mini Power Buggy

www.iwantoneofthose.com

Looking for something to annoy people in the office with? Well, I think we may have found something that would fill the criteria. The Mini Power Buggy from RED5 is as the title suggests small, a 32/1 model to be precise, so perfect for roaming around your colleague's desk. It comes with a pretty sturdy four-channel controller that requires 4 x AA batteries, the buggy itself runs on a 3.7V 100mAH Li-Po battery and can reach a top-speed of 20kpm, which is pretty snappy for a little fella. It also seems able to handle bumps without catapulting itself into the atmosphere, and we even manage to get to run over a staff writer's computer, he wasn't impressed, but we were. The controller is responsive and allows you to be fairly nimble, and even sneak a few tricks into the mix. On the whole a fun little bit of kit that won't break the bank.

Well, bless my Sol or Mia's rather, as the Club regular redhead gives us a bit of lift action to break up the day, as we quiz the gorgeous creature on how she's getting on.

"Right now, I'm having fun. I keep whizzing off in the lift when the photographer's back's turned. Just a little joke, it makes me feel more comfortable on set when you can have a bit of a laugh."

And how about in general?

"You do ask some big questions! If you must know, I'm currently having the time of my life on and off camera, and before you ask there is no one special in my life right now. I'm just enjoying myself and being single is great fun!"

Yes, Mia's right, that was going to be my next question, but the lovely lady is free and single, though we are sure there are plenty of interested parties, most of our office for example.

For someone as youthful as Sybil, the petite brunette seems to us, wise beyond her years and coupled with a great sense of fun, you get the impression that being in Sybil's company is a most desirable thing, as is Sybil herself. Puffy pussy lips and shapely breasts are an instant draw, as is the neat little triangle of hair atop her mound. We dare your dick not to twitch over Sybil.

SCRUFF JUSTICE!

Please be upstanding!

Gold Digging Stripper

Private

Starring: Anissa Kate, Sienna Day, Carmel Anderson, Carley Rae and Lucia Love.

Synopsis: When they are not working the pole Private's Gold Digging Strippers do

whatever it takes to earn an extra bit of cash; these sluts can make it rain in money and cum! Get ready to enjoy the cum back of the gorgeous and busty Anissa Kate as she takes on two hard cocks in an intense anal trio and embrace the all-star cast of hardcore Brits including, Lucia Love, Sienna Day, Carly Rae and Carmel Andersson. If the size of the wallet matches the size of the cock, then these girls are more than willing to drop down low and give a rich stud a solo session! No hole is out of bounds and no cock is too big, if the price is right then these beautiful strippers are up for anything.

Verdict: Gliding up and down a pole all evening is hard work, and these girls work hard for their money on and off the stage. Anissa Kate opens up this red hot treasure trove, with a threesome with her naturally big tits receiving a mauling as she works to impress strip club boss Marc Rose with a tit wank, before a cheeky little anal introduction and a serious face full of spunk. Not to be outdone Lucia Love steps up to the plate, or rather a lap with a big black cock waiting. So as Lucia shows us skilled deep throating, her puckered little arsehole starts to twitch as she comes in for some serious hardcore anal. These strippers really are digging for gold.

Spoiled

Wicked Pictures

Starring: Abigail Mac, Chanel Preston, Elsa Jean, Olive Glass, Chloe Cherry, Tyler Nixon, Jay Smooth, and Michael Vegas.

Synopsis: "Hot birthday sex becomes something else entirely when Abigail Mac ties up her girlfriend (Olive Glass). Half naked and without her phone, Abigail innocently goes out to her car for something kinky and is accidentally locked out of the house. By the time she's borrowed a phone from her freaky neighbours Mari and Tanner, and been rescued by girlfriend Kendra, Olive has vanished...or has she? Her disappearance is more than a vanishing act; Olive is orchestrating an adventure. An exploration of sex, all tied together in a waking dream that Abigail must walk, and sometimes run

through. In the process, she'll not only question her friend's sexuality but her own. In the end she'll discover what it means to be spoiled."

Courtesy of Wicked Pictures

Verdict: Two women in the throws of passion, what could be better? Well, it gets a whole lot kinkier as Abigail Mac and Olive Glass end up on a journey of discovery as Glass reveals her dark side. After locking herself out, Mac runs naked over to the

neighbours where Michael Vegas is busy filling Chanel Preston full of his sausage roll in the kitchen. But after that diverting watch, Mac is able to gain access to

her house where a letter, signals a sense of adventure. But there's always time for a quick throw back in time with Tyler Nixon warming Elsa Jean with a creamy spurt on her pussy. Interesting story line with good action.

A debut in Club and cover girl all in the same issue, shows just how impressed we were with Carmel Anderson, and it looks like a certain Big Brother contestant was too. According to the Daily Star, the stunning Carmel share a steamy kiss in the back of a taxi with Tom Barber, after giving

him an eyeful in the street, as they both attended the Shafta's 2018 Awards. Oh how we'd happily walk a mile in Tom's shoes, if they're trotting next to Carmel's, though we're not fans of the flowery shirt, so I think we'll stick to the shoes for now. Still, it's plain to see from this shoot what a lucky lad he was that night!

I dive headfirst into a pile of questions I'd been storing up for Jasmine Jazz, the Ukrainian seductress, who in her little yellow bikini is smiling animatedly at us.

So, we've heard on the grapevine that you're more than a little acquainted with bondage?

"True, I've worked with a few photographers that have involved bondage in the shoots, I find the whole thing rather kinky and don't mind experimenting." Some of the shoots you've done recently are quite artsy, is that something you're interested in?

"Yes, anyone who says their not interested in art on some level is a liar, because art is in everything we do. It also adds a spin on the concept of art and pornography, when does it cease being one and become the other?"

After this answer, the Ed had to take over, as I was dumbfounded. Beauty, as well as brains, is a winning combination.

EMPTY YOUR TANKS

My boyfriend Steve and I have discovered the pleasures of male masturbation. A guy wanking off because of how you look or talk has to be one of the sexiest compliments a girl can get – and it has the added benefit that you can actually watch a cock spunking. After all, it's one thing feeling your boyfriend's tool jerking inside you, but to actually see the steamy sperm shoot out makes me very hot and horny indeed. I really found out just how much it turned me on the other week when I was dressing to go out.

Some weeks earlier I'd had a Chinese script tattoo designed on my bum. It meant force, energy, chi... some sort of combination of the three. Steve noticed it and asked what it meant. I teased him by saying it meant 'bitch', then continued to dress slowly, pulling on a high-leg pair of lacy burgundy briefs and attaching stockings to the matching suspender belt.

I think Steve was convinced I was seeing someone else who had asked me to have the tattoo done. To be fair I am always going out with girlfriends and OK, we all flirt, but I am entirely faithful. Still, the idea of making Steve jealous was too delicious to miss.

"Which of these skirts do you think shows off my figure best?" I asked, dropping two daring numbers onto the bed. "You mean, which of them would make a guy want to fuck you the most?" he replied, his eyes giving the skirts the once-over. "Hmmm, yes, exactly. I'm feeling very sexy," I told him.

Steve selected the black leather mini-skirt. It wasn't a surprise.

I suddenly noticed that his hand had wandered down beneath his silk dressing gown. He was actually touching himself as he watched me dress. "You're worried that I'm seeing Craig, aren't you?" I said, squirting perfume on my wrists. Craig was a very dishy mate of Steve's who was utterly ruthless about seducing women and who was almost always successful. I was actually enjoying the sight of Steve's hand playing down there. I liked the fact that I could make him want to toss off and thought that I didn't want Steve wanking his load after I'd gone out. I wanted to see him do it right there and then.

"If you don't want me to be naughty with someone else," I began, "you'd better

“Four big globules of spunk suddenly shot into the air and landed in splodges all over his hand, his legs...”

show me what your tool can deliver now." Steve worked out what I wanted straight away. "You're crazy," he murmured, taking his cock out and stroking it. "I'm serious. I want you to wank yourself off in front of me. You'll only do it when I've gone out anyway," I retorted.

I watched Steve cup his balls with one hand whilst stroking his shaft with the other. He asked how I'd worked out that he would always jerk himself off when I wasn't around. Well, that was pretty obvious. I rationed his nooky. Treat a man mean and you keep him keen. It was pretty obvious that he'd cope with his frustrations that way. Steve sighed, tugging harder at his tool. "Oh, you know it all, don't you?" he said. "What blokes are all about." I pretended I wasn't that interested. "Spunk off mate. Stiffies are ten a penny."

Steve carried on. I saw him grip his cock like a joystick and thrash up and down it with his hand. Four big globules of spunk suddenly shot into the air and landed in splodges all over his hand, his legs and the silk gown. I wanted to fuck Steve there and then, push him back onto the floor and ride his manhood. I checked my watch. Damn, there wasn't time. So I kissed him on the cheek and told him he was a sexy beast. I ladled up some of the spunk and just moistened each of my nipples with it before putting my bra on. He could see they were hard. "You'd better be ready when I get home," I warned him. "Now I'm going out to flirt like crazy."

“I couldn't wait to taste her and soon had my face covered in her love juices.”

parents' bedroom.

I noticed that the door was slightly ajar and stopped to get a closer look. As I peered through the gap I could see a very supple leg attached to a well-toned arse. Unless Andy's dad was a lot sexier than I remembered it had to be his step-mum, Jenny, whose firm curves I'd always admired when I'd watched her sunbathing in the garden once or twice. I positioned myself a little better to get a clearer view – and what a view it was. Jenny was down sucking Andy's dad's cock for all she was worth – and was clearly absolutely loving it! She was taking every inch and deep throating him, which obviously explained the moaning. As Jenny slid her tongue up and down the shaft of her husband's cock she wanked it hard and suddenly he started to come, covering her face in hot, sticky cream. I could feel my own dick bursting to get out of my boxers, but realised I'd have nowhere

I got masses of attention at the club. Watching Steve wank had made my juices run. Knowing what I had made him do turbo-charged my ego. I could make a man do that to himself. Perhaps the men in the club could smell my excitement. Either way, when I finally got home Steve and I had mind-blowing sex. Now he doesn't mind tossing off in front of me whenever I ask him to – and I ask him to quite a lot!

MOTHER FUCKER

I thought you'd like to hear about a mad night that happened to me not too long ago and which ended up with me having sex with my best friend's step mother. It all started when me and my mate Andy had got back to his place after a night on the piss. I was too bladdered to make it home, so I crashed out in the spare room. When I got up in the middle of the night to go for a piss – like you do – I heard some groaning coming from what I thought must be his

to put it, so decided it would be better if I went back to bed before I got caught spying.

A couple of months later I had arranged to meet Andy at his house and he'd given me a key as his folks were out for the night. I opened the door and let myself in, made a coffee and sat down in front of the telly to wait for Andy. I'm not sure what button I pressed, but I somehow managed to turn the video on and simply couldn't believe it when suddenly up there on the screen was Jenny, totally starkers and riding Andy's dad's cock in what appeared to be some kind of home porno movie.

Just at that moment I walked Jenny, wearing a dressing gown and with a towel wrapped round her head. She looked surprised and shocked at the sight of herself giving enthusiastic head on the telly, but she couldn't have looked any more surprised or shocked than I did, given the embarrassing position I found myself in. I'd been told she was out. I quickly reached for the 'stop' button on the remote.

We both laughed nervously and made some small talk. Jenny explained that she was on her own that night as her husband had gone out for a few pints with his work mates and

had been in the shower when I'd let myself in. There were a couple of nervous silences, then Jenny started giggling. When I asked her why she was laughing she explained that she could see that I still had a hard-on. I was just about to stand up to try and sort myself out when she casually came over to where I was sitting on the sofa, knelt down in front of me and unzipped my jeans. I was frozen to the spot as she took my cock in her hands and lowered her beautiful lips to the tip of my helmet. I could feel her warm mouth taking my cock deeper and deeper and before long she was sucking on it just as enthusiastically

as she had been servicing her husband the night I'd spied on her through the crack in the bedroom door.

Jenny told me to stand up and undress. She had undone her dressing gown and I could see her beautiful body. She's only 34 and is still in great shape, with 32D tits and a nice, neatly-trimmed blonde bush. She sat back with her legs spread on either side of the armchair and told me to suck it. 'It' was her lovely wet slit that she was rubbing her finger round invitingly. I couldn't wait to taste her and soon had my face covered in her love juices. As I licked around

“...she took my cock in her hands and lowered her beautiful lips to the tip of my helmet.”

“My dick just exploded and shot hot spunk all over her...”

her clit I could feel her pussy lips swell and she started to come hard, then stared at me and demanded I put my cock inside her.

I bent Jenny over on the living-room floor and slid my aching dick inside her doggy-style. Pulling her onto my cock and filling her deep as I humped her harder and harder, I could feel her squeezing my tool with every hard thrust. She started to come, bringing me off almost instantly, but just as I was about to shoot my load she begged me to come over her tits. I quickly stood up and she grabbed my cock, then placed it right between her big, beautiful tits. I could feel my cock sliding between them and as I looked up her eyes seemed as if they were begging me to come. Well that was it. My dick just exploded and shot hot spunk all over her chest and neck.

Because I was thinking with my dick rather than with my brain I hadn't given a minute's thought to the fact that Andy might turn up at any moment. Thank God he didn't burst in, because I think I might have had a pretty hard time explaining why his step mum was lying there with my spunk dripping off her!

I haven't seen Jenny since, because I've moved up to London for work, but when I'm next back in Bedfordshire you can bet I'll be round at Andy's, though it won't be to see him!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

DIRTY CLEANER

I'm a 30-year-old payroll manager at a large holiday camp in the South West. Every summer we take on a lot of staff from the nearby towns to help cope with the extra workload, including about eight busloads of chalet maids. We get quite a few students looking to make some easy money before they go off to uni. One of them caught my eye as soon as I saw her, a shapely brunette called Rachael, and I made myself a promise to get to know her a whole lot better before she left.

One Saturday morning I was feeling particularly horny and decided to go and see Rachael. Telling the people in the office that I had a problem with her tax forms I ventured out into the camp. Saturday is changeover day; most of the holidaymakers have left their flats by ten o'clock and the girls set to work cleaning up the mess left behind. After half an hour of asking where Rachael was I was about ready to give up when I noticed a cleaner's trolley outside one of the flats at the very edge of the camp. Confident that this had to be Rachael's I hurried over and entered the building.

I was just about to call out her name when something stopped me. I could hear the unmistakable sounds of someone having sex. The gentle whimpering and light panting noises were coming from the bathroom and my cock started to stiffen as I approached the

partly-open door. Peering through the crack I could see Rachael sitting on the toilet with her jeans and panties round her ankles and her fingers busy in her neatly-trimmed snatch. She held the lips of her cunt apart and I could see how wet she was inside. With the fingers of her other hand she was rubbing her long clit, which stood proud of its fleshy hood. There's something so fucking horny about the sight of a woman wanking that by now my cock was threatening to tear through my trousers.

I quietly pulled down my zip and took my dick out. I took a firm grip on it and wanked myself off, not too hard in case I came too quickly. I had other ideas about where I wanted to shoot my load!

Rachael was clearly getting pretty excited herself. I could tell by her breathing and the little moaning sounds she was making that

Plucking up my courage I pushed the door wide open and stood there, stroking my pole.

"I knew someone was there," Rachael panted, not missing a stroke on her clit. "And I had a good idea it would be you. One of the girls told me you were looking for me." With that she stood up, bent over the sink and wiggled her pretty arse in the air. "Come on, we haven't got much time. There are some rubbers in my bag."

As I bent down to search in her handbag my face came level with that gorgeous bum and I knew I'd have to have a taste of her before I fucked her. I found the condom and rolled it on, then returned my attention to her

"I lapped at her pussy, gathering her nectar on my tongue..."

she wasn't far off orgasm. As I watched she reached down, picked up the can of bathroom cleaner she'd been using and began to rub the rounded end into her swollen cunt. This caused her to moan even louder and I knew I had to act fast before she actually came.

rear end. Her cunt was running with juice and above it her gorgeous arse was simply begging for a seeing to. I lapped at her pussy, gathering her nectar on my tongue, then moved up to work her juices and my saliva into the darker flesh of her lovely ringpiece to help with my penetration.

"Come on, I want to feel your cock inside me," exclaimed Rachael. I stood up and

eased my tool inside her dripping cunt. As we fucked I used my fingers to play with her arsehole, gently easing a single finger inside then out again, lubricating her hole with her own pussy juice until I thought she was ready for me. When I was able to get three fingers in comfortably I knew she was ready for my cock.

"Do you want it up your arse?" I asked her, fairly sure of the reply. "Do it, do it now," she gasped, so I pulled out of her snatch and placed my knob at the entrance to her arsehole. With one push I was in, her sphincter clenching beneath the rim of my helmet. I held it there for a second, my balls churning with the excitement of it all, then eased my way forward. Rachael let out a long, low moan as my meat invaded her back passage and I knew that she too was loving every minute. I fucked her arse gently, not wanting it to end, but desperate to blow a nut. Rachael was wanking her clit furiously, her fingers occasionally rubbing against my tight balls. I reached down to slip three fingers into her slit and this was just enough to send her into ecstasy. Her arse convulsed around my prick and I knew I was going to come. With one extra hard thrust up her chute I pulled out, whipped off the condom and wanked the biggest load of my life across her back. As we both came back down to earth I gently massaged my cream into the soft skin of her arse and noticed that some of my come had even landed in her hair!

Rachael and I continued to meet up for

some good old-fashioned arse fucking throughout the summer – it turned out to be her favourite form of sex. I often wonder who's shafting her stunning backside while she's at uni. Some lucky young student I suppose, or perhaps one of the lecturers. But at least I know she'll be back here in the summer to carry on our bum fun!

Terry, Exeter

THREE'S COMPANY

Carly and her mother had moved into a house a few doors away from me at the end of January. She was a gorgeous young girl with a great arse and absolutely stunning tits, 36DD I reckoned at first guess. The first time she came into my local I said to my mates "I'm going to fuck that if it's the last thing I do." I gave it a couple of minutes to see if anyone joined her, then made my move. It turned out that Carly was a friendly girl and we seemed

to get along really well. As we started to chat I noticed her beautiful pale green eyes, soft blonde hair and honeytone skin. Oh, and of course those tits. Several drinks later I invited Carly back to my place for a night-cap (and hopefully a shag, of course!) which she readily accepted. I gave a quick nod and a wink to the lads on the way out and their mouths just dropped open; they couldn't believe I was leaving with this gorgeous piece.

As we walked through my front door I thought I'd better be a gentleman and asked Carly what she'd like to drink. I was greeted with the memorable line "Fuck the drink. Let me see your cock." Now I may not be the sharpest knife in the drawer, but I was thinking that was a definite come-on and I was onto a winner here. With almost lightning speed she had my trousers down and her lips were around my cock. She quickly wanked and sucked me to full hardness, stopping just

as I was about to come. Then she stood up, whipped off her knickers, hitched up her skirt and bent over the sofa, treating me to a first class view of her lovely arse and completely bald fanny.

"Lick my arsehole," demanded Carly. I got on my hands and knees and started to tongue her pussy, intending to work my way round to her brown puckered rose. "Forget my cunt and lick my ringpiece now," she yelled at once. "That's where I want you to stick your cock." This girl was blowing my mind. She was so direct that I decided it was best to just do what she wanted and within a couple of minutes I was balls deep in her arse and rapidly approaching the point of no return.

"Don't come inside me," she ordered. "I want to taste your spunk."

I pulled my dick out and she spun around just in time to catch the first spurt right on her lips. As she lapped greedily at my cream

the next jet flew straight down her throat. I thought I'd died and gone to heaven! She fucked me senseless for the rest of the night and finally left my place the next morning.

Carly and I began to see each other regularly and the sex was always fantastic. The only thing I found odd, though, was that sometimes all she wanted was anal sex and at other times she wouldn't have it that way at all.

I just put it down to moodiness. Anyway, at the end of one particularly boozy and horny Saturday night in the pub Carly invited me back to her house for the first time, telling me she had a little surprise waiting for me. I was curious.

As we entered her house she told me not to worry about her mother as she knew I was coming back and was a heavy sleeper anyway. I walked into their living room and simply couldn't believe my eyes. There was a skin flick playing on the video and a woman lying naked on the sofa with a dildo buried to the hilt in her shaved snatch. This girl turned to look at

“ Me butt fucking an anal virgin on the orders of her twin...”

Carly and I quickly stripped and the three of us started kissing and fondling on the floor. Carly was soon into her stride, telling Candy and me exactly what and where to suck, lick and probe. After about ten minutes I turned Candy onto all fours and nudged my throbbing cock against her virgin anus. “Please be gentle,” whimpered Candy. “Fuck her arse now,” ordered Carly. I applied a little pressure, then a little more and suddenly the muscles of her sphincter gave way and I buried my cock deep inside her tiny sweet hole. Candy let out a few gasps and then began to moan with pleasure.

Carly lay down under us both and began to lick and suck my balls. I was rapidly approaching climax when, out of the corner of my eye, I caught sight of another person standing in the doorway with a video camera. Fucking hell, it was their mother – wearing nothing but stockings and suspenders! For a split second I stopped pumping Candy’s arse, but their mother just lowered the camera and smiled. Then, just in case I needed any more encouragement, she walked over, put a leg either side of Candy and asked me to lick her clit. She was just an older version of the girls and was in terrific shape. I pictured the scene briefly in my mind; me butt fucking an anal virgin on the orders of her twin sister who was now squeezing my bollocks whilst fingering my arsehole. And there was their wanton mother, dressed only in a pair of black stilettos and flying tackle, straddling both of them so that I could drink her musky pussy cream! Pretty wild or what?!

Well I shot my load right there and then up Candy’s arse. I eased my cock out and Carly lapped at my spunk excitedly. I ended up servicing the lot of them with Carly calling the shots and me not able to leave until Monday morning with my bollocks feeling like they’d been turned inside out!

I’ve been fucking all three of these come-hungry babes for a few months now and they tell me that as long as I continue to satisfy them all they will do anything I want. Or, as is usually the case, whatever Carly wants! Not that I’m complaining, of course!

Andrew, Porth

me and I was absolutely blown away. It was Carly – but how could it be? Confused by both booze and excitement I vaguely heard Carly’s voice say “I believe you’ve met my twin sister Candy.” I suddenly worked it out. Both of them had been shagging me without

me realising it and that it was only one of them that liked anal. If this was my surprise, then boy was I pleased! “I want you and me to teach her the pleasure of butt-fucking,” demanded Carly. Like I was going to fucking refuse!

Anissa Kate has been quiet of late, and we were wondering if the saucy mare had fallen off the face of the earth?

"Not quite, I've been frolicking in the sun while the weather has been so perfect all over Europe, and it's been more than therapeutic."

I'm having visions of cocktails by a poolside under the midday sun, am I right?

"Pretty much, but you missed out the totally ripped guy I kept sneaking glances at."

Lucky fellow, I hope you made him work for it.

"I think we both made each other work for it in the end, you should have seen his muscle ripple."

Hmm, I wonder where my gym card has gone...

What our well-placed moles are telling us this month...

DOWN THE WIRE

Jaws Dropping!

The best mode of transport for any shark is, of course, a pram. It looks like it did the job, as 38-year-old Anthony Shannon, who took a juvenile horn shark from a petting tank

at the San Antonio Aquarium, brought the 16-inch long shark home and installed it in one three large aquarium tanks in his garage. The self-described marine activist stated, that the shark needed help after being squeezed by a visitor and that he "knew it would gain a lot of strength being in a proper environment," said Shannon referring to his tank at home. But this was no on the spot heist, Shannon had inspected the tank a month earlier after posing as a salt distributor, gaining access on the pretence that his company had sold them a faulty batch of salt, and he needed to check the levels. The Aquarium eventually realised it was the same man and Shannon was arrested and charged with theft.

Pump My Pistol!

Not all women are understanding when it comes to pornography, and in the case of Patricia Hill, she was damn right outraged that her husband 65-year-old Frank Hill had purchased a tickler through their television. Mrs Hill told Jefferson County Sheriffs office that she had shot her husband following an argument relating to purchased porn. Later she added that she asked Mr Hill to leave and when he refused she shot him twice with a 22-calibre pistol, once in the leg and then the second in the head. After doing so Mrs Hill telephoned 911 to tell the police what she had done, but her husband was discovered dead in the shed when the police arrived. Talk about shooting a loaded gun...

Rasher Thrasher!

Four legs good, two legs bad goes the Orwellian phrase, and in this case, I think we can say 'that pig dun good' after a burglar broke into a recently purchased house to be met by Dumplin, a fully grown hunk of pig. The family pet who was rescued from a shelter, was at home standing guard when the break-in occurred. The intruder smashed through the back door, but nothing was apparently taken, possibly owing to the fact that the intruder encounter Dumplin first. The single mother and her children were out at the time, with officers informing them of the attempted burglary and the hero of the hour. We hope Dumplin got to put his trotters up after.
